For audio please call USA Toll Free: 1-844-467-4685 Participant Passcode: 9907511380

For other countries, look up your country here, same passcode (9907511380#).

<u>Test</u> your device and Internet connection ahead of the Adobe Connect meeting.

AGENDA

Meeting Focus: "Scaling Up the High Resolution Carbon Monitoring and Modeling Products to the Northeast U.S.: Discussion of Climate Action Plans, Current Carbon Monitoring Strategy, and Carbon Monitoring Needs and Interests for Stakeholders in the States of Connecticut, New Jersey, and Rhode Island"

Welcome and Meeting Goals - Edil Sepulveda, NASA GSFC [10:00-10:05am]

Overview & Science Progress, Updates and Plans for NASA CMS Project: "High Resolution Carbon Monitoring and Modeling: Continued Prototype Development and Deployment to Regional and National Scales" - *George Hurtt, UMD; Elliott Campbell, MD Department of Natural Resources; Jarlath O'Neil-Dunne, UVM; and Andy Lister, USFS* [10:05-10:20am]

Overview of Climate Plan and Initiatives in Delaware - *Jennifer de Mooy, DE Department of Natural Resources & Environmental Control* [10:20-10:25am]

Questions for NASA CMS Science Team / Stakeholder feedback, data needs, interests - All [10:25-10:30am]

Joint Quarterly Presentations: Discussion of Climate Action Plans, Current Carbon Monitoring Strategy, and Carbon Monitoring Needs and Interests for Stakeholders from NY, MA, and VT [10:30-11:15am]

- "Connecticut's Climate Strategy: Carbon Monitoring and LULC Change and Forestry Sectors" Cary Lynch, Research Analyst at Office of Climate Change, and Christopher Martin, Director of Forestry Division, Connecticut Department of Energy and Environmental Protection
- "New Jersey Climate Planning" Jorge Reyes, Research Scientist at Bureau of Energy and Sustainability, and Marwa Kamel, Climate Plan Coordinator, New Jersey Department of Environmental Protection
- "Rhode Island Climate Action in the Forest Sector" Shaun O'Rourke, Chief Resilience Officer of the State of Rhode Island, Tee Jay Boudreau, Deputy Chief of Forest Environment, and Dena Gonsalves, Senior Air Quality Specialist, *Rhode Island Department of Environmental Management*

Questions & Discussion: Potential Applications of Carbon Products for the Northeastern U.S. - All [11:15-11:30am]

Next Steps / Closing - George Hurtt & Edil Sepulveda
